JUDGMENT

The grievance of the petitioner who is the owner of a shop within the limits of the 2nd respondent-Panchayat is that the local autorickshaw drivers are parking their vehicles on the front side of her shop room as a result of which considerable inconveniences are caused to her and her customers. On the basis of the complaint submitted by the petitioner before the 4th respondent, the 5th respondent intervened and issued necessary directions to the autorickshaw drivers to park their vehicles in such a way as to avoid any inconvenience to the petitioner and her customers. Counsel for the petitioner submits that the autorickshaw drivers obeyed the directions of the 5th respondent for just one week and now they are parking their vehicles again in front of her shop. I do not propose to go into the merits of the matter. The 5th respondent, the Sub Inspector of Police, Kumarakom will consider a fresh complaint to be submitted by the petitioner immediately and do the needful to ensure that the concerned autorickshaw drivers do not park their autorickshaws in front of the petitioner's shop room in such a manner

as to cause difficulties to her and her customers.

The Writ Petition will stand disposed of as above.
